{ ideaSpark } CODING CLUBS Impact Report 2023

Alkami

This 2022-2023 school year proved to be an absolutely **enriching** experience for students participating in our ideaSpark Coding clubs. Bold Idea provided in-person, virtual and hybrid opportunities allowing students to participate with mentors across all of Dallas. With the help of Alkami mentors, programs awarded 342 badges demonstrating students' computer science skills and knowledge

This Year,

> **241**

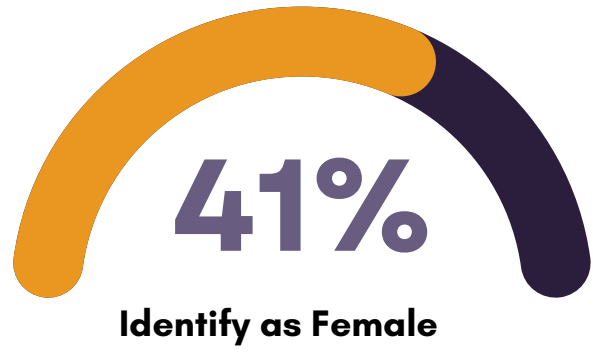

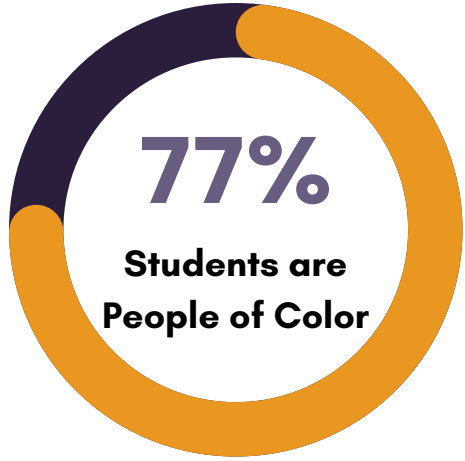

Students Served in 3rd-12th Grade

Received ,

Hours of Volunteer Mentor Time

We Serve a Diverse Community!

75%

of students increased or maintained their interest in Computer Science education.

Self Efficacy

68.75%

"Students reported increased confidence in Coding, creating Computer Science projects, and core subjects like Math & Science"

25%

Response Improvement Rate

"The money you gave helped us level up! Thanks to you, Bold Idea was able to cover our program expenses in the past year, including a digital learning platform where students code their projects, stipends for teacher liaisons, supplies like t-shirts and headphones, training for volunteer mentors, a Demo Day event, and more. Thank you for your continued support!"
